Profile

RIBA Part 1 Architecture graduate from the University of Bath with 12 months of practice experience at **Feilden Clegg Bradley Studios**. Produced drawing packages for residential and educational projects, including a **48 unit housing scheme** and a primary school extension. Portfolio at priyaanand.co.uk features **9 projects** spanning housing, civic, and cultural building types.

Experience

Architectural Assistant (Year Out), Feilden Clegg Bradley Studios, Bath

Jul 2024 – Jun 2025

Worked across the residential and education teams on live projects from RIBA Stage 2 through Stage 4.

- Produced **42 Revit drawings** for a 48 unit residential block in Bristol, contributing to the planning submission approved by the local authority
- Modelled and detailed a **primary school extension** in AutoCAD, coordinating with structural and M&E engineers on 3 design iterations
- Built **6 physical site models** at 1:200 and 1:500 scale for client presentations and design reviews
- Attended **14 site visits** and produced site observation reports with annotated photographs for the project architect

Studio Assistant (Part-time), Bath School of Art & Design, Bath

Jan 2023 – Jun 2024

Part-time role supporting the architecture workshop and digital fabrication lab.

- Supervised laser cutting and 3D printing sessions for **120 architecture students** across 2 year groups
- Maintained workshop equipment and trained **35 first year students** on safe operation of tools

Education

BA (Hons) Architecture (RIBA Part 1) in Architecture, University of Bath, Bath

Sep 2021 – Jul 2025

Upper Second Class Honours (2:1, **65% average**). Design thesis on *adaptive reuse of post-industrial waterfront buildings in Bristol* received a distinction grade of **74%**.

- Relevant modules: Architectural Design Studio, Structural Design, Environmental Design, History & Theory of Architecture, Digital Representation
- Completed RIBA Part 1 validated year-out placement at Feilden Clegg Bradley Studios

Skills

Revit (BIM Level 2), AutoCAD, SketchUp & V-Ray, Rhino & Grasshopper, Adobe Creative Suite (InDesign, Photoshop, Illustrator), Physical Model Making, Hand Drawing & Sketching, Laser Cutting & 3D Printing, Planning Application Documentation, Site Analysis & Observation, Building Regulations Knowledge, Sustainability (Passivhaus Principles)

Certifications

RIBA Part 1 (Validated), University of Bath / RIBA

Jul 2025 – Jul 2025

CSCS Green Card (Construction Site Safety), CITB

Jun 2024 – Jun 2029

Languages

English - Native, Hindi - Conversational

Projects

48 Unit Residential Block, Bristol (FCB Studios)

Sep 2024 – Apr 2025

Contributed to the design development and planning submission for a mixed-tenure housing project.

- Produced **42 drawings** in Revit including floor plans, sections, and elevations at 1:100 and 1:50 scales
- Created **8 rendered visualisations** for the planning application using Enscape and Photoshop
- Planning permission was **granted on first submission** with no design-related objections

Waterfront Adaptive Reuse (Design Thesis)

Sep 2024 – May 2025

Thesis project proposing the conversion of a disused warehouse in Bristol's Floating Harbour into a community arts centre.

- Developed the scheme from concept through to **detailed design (RIBA Stage 4 equivalent)**
- Produced a **1:50 sectional model** and a 24 page design report
- Received a distinction grade of **74%** and was shortlisted for the Bath Architecture Prize
